

## 1.11.1 Quality Information Amendment

The following Certificates of Analysis (CoA) for mRNA-1273 Drug Product lots for Emergency Use Authorization are provided (blue text in the following table). Please note, Manufacturer Name and Container/Closure are listed on each page of the CoA and the precedent Drug Substance manufacturing sites are listed in the comments of the last page before the document approval page.

| mRNA-1273 LNP Lots |                          |                    | mRNA-1273 Drug Product (Catalent) |                   |                 |
|--------------------|--------------------------|--------------------|-----------------------------------|-------------------|-----------------|
| Lot Number         |                          | Manufacturing Site | Lot Number                        |                   |                 |
| Mfg Lot #          | Moderna Lot #            |                    | Manufacturer                      | Moderna Unlabeled | Moderna labeled |
